

A Level Results August 2011

It has been another very impressive and strong year for A Level results with 25 % of all pupils gaining 3 A grades or better and 17% of all grades at A* and 41% at A* and A grade, allowing the School to celebrate a 100% success rate for the fifth year running. Daniel Geer achieved 4 A* grades plus an A grade at AS Level and will be studying Medicine at Oxford University next year, whilst Ananth Srinivasan achieved 3 A* and an A at AS Level and will move on to study Medicine at Birmingham. All students now have confirmed places at their chosen university.

‘I am delighted that the hard work and efforts of the students have been rewarded. They have proven yet again that they produce excellent results which will stand them in good stead in an ever more competitive world.’ Richard Paine, Headmaster

Results in full (*denotes A grade, ** denotes A* grade):
